

## CALL & DESIGN: A TOOL TO DISCOVER PURPOSE

**God has called you to do something - something only YOU can do.  
Your story, strengths, weaknesses, successes, and failures are all instrumental.  
Are you ready to answer Him and pursue your calling?**

The 1PG Call & Design program is designed to help working professionals discover what they are called to do, understand how they are specifically designed to answer that call, and pursue the paths that fulfill that purpose. Those who have completed the program successfully have gone on to identify purpose, develop additional needed skills, land better jobs, and ultimately gain more fulfillment through their work.

### OUR CALL & DESIGN PROCESS

Reach out to us to learn more! We can't wait to connect and grow with you.

## 1 DISCOVER YOUR MBTI TYPE

Our process starts with you taking the Myers-Briggs Type Indicator assessment. This will help you and your coach understand you better.

## 2 TELL YOUR STORY

Next, we will hear your story. We will listen to your dreams, desires, successes, fears, and failures in search of finding what makes you tick, what you love, and where you want to go.

## 3 IDENTIFY THEMES

Following your story, we will go through five exercises designed to identify themes in what leads you to feel alive and what makes you **you**.

## 4 ELIMINATE DISTRACTIONS

The next exercise is about eliminating earlier themes that don't fit anymore and consolidating the remaining themes into three bold headlines. The headlines should make you scream, "This is me! This is really, really me."

## 5 EXPLORE CAREER OPTIONS

We will then review a list of careers that allow you to live out the three headliner themes. What we are looking for is where you can do the most good.

## 6 ALIGN CALLING WITH ORGANIZATIONS

The penultimate session is about discovering which organizations align with you and your themes. We also brainstorm ways to pursue this path, including looking opportunities to get close to those companies.

## 7 DESIGN A PLAN FOR SUCCESS

Lastly, we can help you design a plan to live out your calling.
